Felted Notions Pouch

by Judy Head

This felted pouch can hold your knitting notions or other treasures.

Make it using one of the variegated colors of Naturally Nazareth, or alternate colors working 2 rows of each color. Instructions for Beaded details are included, or decorate it another way — with buttons or dry needle felting. Your imagination is the only limit.

Detail showing bottom of bag

Beaded Detail: String all the beads onto "B" color yarn with a thin darning needle and hold beads in reserve. To place bead, abbreviated **PB**, bring yarn to front of work. Slip stitch knit wise and move 1 bead from reserve into place. Take yarn to back, keeping bead snugly in place to sit in front of slipped stitch.

Using color "A" Row 1-2: K

Using color "B" Row 3: K 3, *PB, K 4; rep from * ending with K 3.

Using color "B" Row 4: K without beads

Repeat Rows 1-4 for both sides of the pouch. Bottom of pouch is knitted without beads.

Finishing: Fold pouch in half and loosely sew side seams and weave in ends. Place pouch and handle in lingerie bag for felting. Run one cycle in washing machine using a small load setting with hot water. You can also include an old towel to help balance the load in the machine. Air dry both pieces.

Turn pouch inside out and sew seams more securely if needed. Sew corners to form a flat bottom for the pouch (see detail photo above). Turn right side out and place pouch and handle in lingerie bag to felt a second time and air dry.

The opening at top of pouch will be longer than zipper, which will be adjusted in the final step. Center zipper along opening and using **hand sewing needle and thread**, sew zipper in place.

Place one end of handle at the bottom end of zipper and with **hand sewing thread** securely sew handle to end of zipper tape. Use thread to sew other end of the handle to the small hole of the zipper pull. Sew the button to cover the join of handle to zipper pull for decoration.

Turn pouch inside out and **sew with yarn** a line connecting the end of zipper to the side seam. This will close any gap between the zipper beginning and end and the side seams. Turn right side out.
