Celtic Cable Scarf
By Vanessa Lewis

Look smart this fall and winter with this Celtic Cable design scarf knitted using Kraemer’s Alpaca DK yarn which gives this beautifully designed scarf a super soft touch. It will keep you warm and cozy on those crisp fall days or when you have to venture outside, away from your knitting this winter.
Cast on 52 sts. Repeat 16 rows of chart until scarf is desired length

Charts are identical except for the colors. Some people find it easier to pick out the cable stitches if they are colored. On this chart all red cables cross right and all blue cables cross left. Use the one you like best. If you prefer to work from text, you will find it on the last page.
